

# Sprite DM-400

## A small warewash system with big benefits

The DM-400 Warewashing Product Dispenser combines a detergent control and rinse pump in a miniaturized water-resistant enclosure. The electronic control board is protected by a gasketed enclosure for water resistance and maximum long-term reliability.

### Features & Benefits:

- Advanced micro-size digital control
- Guaranteed reliability
- Maximum versatility
- Money saving rinse control
- Includes rack counter and unique de-lime mode

## System Advantages

### Advanced Design

Sprite DM-400 uses miniaturized electronics to provide powerful features in a small package. All service access is from the front, no side clearance is required.

### Easy to Use

A digital readout allows simple three button programming. The display also shows the status of the dispenser during operation including product outages and other alarm conditions.

### Reliability

The gasketed enclosure is highly water-resistant and the electronics are further protected within the enclosure.

### Saves Installation Time

The Sprite DM-400 comes equipped with a factory wired harness for all power and signal connections, so there is no need to open the case. The included wall bracket makes the unit mounting efficient.

### Secure

The programming system of the DM-400 is protected by a numeric pass code.

### Versatile

The DM-400 can be configured as a probe or probeless dispenser. It can accept 24, 115, 208, or 240 VAC input at 50 or 60 Hz. It can control either powder or liquid detergents.

### Saves Money

A special Rinse Saver feature prevents rinse additive wastage during fills of the washer. Digital electronics ensure accurate detergent control and minimize overuse.

### Rack Counter

The DM-400 includes a standard rack counter. This works with both single rack and continuous conveyor type machines.

### De-Lime Mode

A unique De-Lime mode allows for safe washer cleaning without detergent wastage.

Model	Description
DM-410	Sprite warewashing w/1 pump
DM-411	Sprite warewashing w/1 solenoid and 1 pump
DM-411 w/super kit	Sprite warewashing w/1 solenoid and 1 pump plus Super Kit
DM-420	Sprite warewashing w/2 pumps
DM-420 w/super kit	Sprite warewashing w/2 pumps plus Super Kit
